The Freshwater Fisheries Society of BC (FFSBC) is an independent, non-profit organization governed by a Board of Directors. Our mandate is to enhance and conserve BC's freshwater fisheries for public benefit. Working in partnership with government, industry and anglers, our goal is to make fishing in BC even better through the enhancement and conservation of BC's freshwater fish resources.

We are seeking enthusiastic and dedicated Outreach Instructors to join our Sport Fishing team out of various locations including; the Fraser Valley Trout Hatchery in Abbotsford, the Clearwater Trout Hatchery in Clearwater, the Kootenay Trout Hatchery in Fort Steele, the Summerland Trout Hatchery in Summerland, FFSBC Corporate Office in Victoria, and Kamloops.

As members of the Sport Fishing Division, the instructors will be responsible for delivering Learn to Fish programs, guided tours, and other FFSBC outreach programs to the public including youth and their families, schools, and community groups, as well as participating in community events. The instructors will also be responsible for the maintenance of Learn to Fish equipment and ponds including cleaning exclusion screens, feeding fish, and general pond upkeep as well as regular scheduled maintenance of Visitor Centre aquaria. Record keeping and data entry will also be required.

If you are a team player committed to service excellence and are seeking a rewarding opportunity where you can be part of an exciting organization, we would like to hear from you!

Qualifications - The successful candidate will be a student enrolled in full-time studies at an accredited educational institution or graduated within the past 36 months from a related field such as fisheries and natural resource management, biology, communications, or education. Other areas of study may be considered. A valid Class 5 or 7 driver's licence, as well as strong communication skills, including experience with public speaking and working with the public is required. Recreational angling experience is preferred. Equivalent combinations of education, training and/or experience may be considered. Hiring will be subject to a criminal record check (working with children) and drivers abstract.

Flexible schedule required; including frequent evening, weekend, and holiday shifts, with an average of 70hrs anticipated over a 2-week period. Travel is required; must be willing to work at remote locations for 2 to 5-day periods at a time.

To learn more about this position, please review the job description. To apply for this position, please submit your resumé along with a letter that clearly and specifically states how you meet the education and experience criteria for this position. In addition, please submit the application form found with the posting listing, and ensure you quote the competition number. You may use mail, email (Word or PDF required) or fax to submit your application. This opportunity is open to both internal and external applicants.

For information on the Freshwater Fisheries Society of BC please visit www.gofishbc.com.

*In addition to the hourly salary, this position qualifies for compensation of \$0.72 per working hour up to a maximum of \$50.40 per biweekly pay period in lieu of sick time and benefits, and vacation pay at the rate of six percent of regular earnings.
