

Project Tracking #	Project	Admin Region of investment	Final Allocation*
Large Lakes Committee			
16-01	Combined project: Sprout Lake Cutthroat Assessment	1	\$18,900
16-02	Alouette Lake Dock Installation and Boat Launch Improvements	2	\$50,000
16-03	Kamloops Lake Guardian Program	3	\$11,300
16-04	Kootenay Lake Kokanee and Gerrard Rainbow Recovery Options	4	\$85,000
16-05	Quesnel Lake Creel/Exploitation Study	5	\$66,800
16-06	Okanagan River Snorkel Survey	8	\$11,000
16-07	Skaha/Osoyoos Lake Creel Survey	8	\$37,000
16-09	Penticton Creek Restoration Initiative	8	\$50,000
16-10	Development of a Large Lakes Management Plan for Region 7a	7A	\$15,000
16-11	Gwillim Lake Trout SPIN Assessment	7B	\$5,000
16-12	SLIN assessment on Moberly Lake	7B	\$18,010
16-13	Large Lakes Creel Database	Provincial	\$20,000
16-14	Management Decision Tool for the BC Lake Trout Fishery	Provincial	\$7,000
16-15	Ageing lab - capital purchases	Provincial	\$7,100
		TOTAL	\$402,110

Rivers Committee			
16-01	Stellako River Trail Maintenance	7A	\$5,000
16-02	Base Station Network Expansion (Region5/7) to facilitate BT/WS movement analysis	5/7A	\$25,000
16-03	Upper Fraser/Nechako Bull Trout Stock ID and Fishery Development	7A	\$22,500
16-04	Decision support tool to determine bull trout sampling strategies	All	\$22,000
16-05	Steelhead Harvest Survey and Analysis	All	\$20,000
16-07	Developing a software package to automate production of bioenergetic-based Habitat Suitability Curves	2	\$10,000
16-08	Lower Mainland Steelhead Barrier Passage Telemetry Project	2	\$10,000
16-09	Evaluation of regulation changes via Kettle River Guardian Program	8	\$39,285
16-10	Skeena Region Bull Trout Monitoring Program- Redd Count Surveys	6	\$16,000
16-11	Thompson Region River Guardian Program	3	\$41,160
16-12	Tyee Test Fishery Extension	6	\$18,000
16-13	Improve Angler Boat Access on the Elk River	4	\$25,000
16-14	Columbia Pike	4	\$8,000
16-15	Kootenay Region River Guardian Program Supplementation	4	\$20,000
16-16	Calibration of Heber River summer steelhead snorkel observations	1	\$20,453
16-17	Dean River Steelhead – Juvenile Assessment	1,5	\$17,000
16-18	Quesnel River Watershed Bull Trout Assessment	5	\$10,000
16-19	Peace Region Bull trout Stock Assessments	7B	\$3,000
16-20	Support Fraser River Peace Keepers	2	\$35,000
16-21	Lower Mainland Steelhead Barrier Passage Engineering Assessment Project	2	\$20,000
16-22	Moricetown Mark-Recapture Steelhead Population Estimate	6	\$15,000
		TOTAL	\$402,398

Small Lakes Committee			
15-14	Aerial Boat & Shore Counts project	3	\$26,000
14-10	SLIM Aerial Boat Counts – 100 Mile/Williams Lake	5	\$20,000
15-02	Kootenay Flight Line Aerial SLIM counts	4	\$24,000
15-05	Okanagan Southwest Transect Flight Line	8	\$17,500
15-01	Whiteswan Lake Park Creel and Ground SLIM Counts	4	\$13,450
14-13	Standardized Effort Assessment Protocols	Provincial	\$10,000
12-10	Technical support for Region 3, 5, 7, and 8 for ageing, camera image analysis and creel for the development of an image analysis software tool	Provincial	\$12,492
15-11	Broodstock Lake Temperature and Oxygen Monitoring to Assess Habitat Quality for Sexually Maturing Broodfish R3,5,8	Provincial	\$2,500
15-15	Sunshine Coast Small Wild Lakes, Status and Opportunity	2	\$3,000
15-07	Okanagan Small Lakes Management	8	\$11,300
16-01	Small Lakes Camera Effort Assessment Project	7A	\$9,412
16-02	Peace Region Effort Assessment – Camera Counts	7B	\$20,000
16-03	Increasing lapsed angler participation: understanding what anglers want	Provincial	\$23,300
16-04	Image recognition software to facilitate effort camera processing	Provincial	\$15,000
16-05	Small Lakes Gill Netting Standards Development	Provincial	\$5,000
16-06	Angler effort assessment tool	Provincial	\$5,000
16-07	Roche Lake Watershed Eutrophication Study	3	\$25,000
16-08	Small-Lakes Management Plan	7A	\$11,350
16-09	Plan for developing Deka Lake kokanee migration channel	5	\$5,000
16-10	Monitoring stock lakes water chemistry	Provincial	\$3,300
16-11	Acoustic Behavioural Monitoring	3	\$10,000
16-12	Horsefly River strain assessment support	5	\$17,395
16-13	Assessment of wild and hatchery stock lakes in the West Coast Region 2015-16	1	\$20,000
16-14	Small Lakes Stock Assessment	3	\$20,000
16-15	2015 Small Lake Assessments	4	\$25,100
16-16	Fishery Assessment - Region 5 Stocked Lakes	5	\$19,961
16-17	Small-Lakes Stock Assessment 2015	7A	\$21,128
16-18	Establishing a Provincial Fish Ageing Laboratory	Provincial	\$7,100
		TOTAL	\$403,288

*Note that this was the allocation at the onset of the year; mid-cycle changes include budget
